

visible area
(200 - 210 px high)

hidden area

(880 px – 1079 px wide depending on the
specific web site)

The whole creative should be an
image 2000 px × 1400 px.

Please use CPEX Generator
(<http://creatives.cpex.cz>) to insert the
image into the final creative and test its
functionality.

For more information
on CPEX branding format, see
<https://www.cpex.cz/en/cpex-branding-en/>
